Applying payments:

When we receive a payment, we apply it to your Account as outlined in your Cardholder Agreement.

Interest-free grace period:

If the entire New Balance is paid by the Payment Due Date shown on the Statement, you will not be charged interest on Purchases appearing on this Statement. However, if the entire New Balance is not paid by the Payment Due Date for the Statement, interest on Purchases and fees will not be waived and will be charged from (and including) the date each Purchase transaction or fee is posted to the Card Account and will appear on your next Statement. Any interest which accrues on Purchases between your last Statement Date and the date we receive the payment will appear on the next Statement.

Billing errors & disputes:

Please review this statement carefully and advise us of any errors or disputes within 30 days after the Statement Date. If you do not, we will consider this Statement final (except for improper credits). For your convenience, you can also monitor your recent transactions via Neo's mobile app.

Instalments:

If you have any outstanding Instalment Plans, please check your Account on the Neo Platform. You can find payment date, payment amount, term, APR, remaining balance and all disclosures and documents related to your Instalment. Outstanding Instalment Plan balances reduce your Credit Available, but do not contribute towards your New Balance and Minimum Payment.
